# Standing up for all women

PROVIDING a voice for childless women has put Michelle McGrath of Mosman in the running for a top award.

Her podcast *Unclassified Women* is for women who don't have or don't intend to have children and she has shared the stories of more than 30 women over the past six months.

"More than 25 per cent of Australian women over 40 are child-free by choice or for a variety of reasons," she said.

"My podcast provides inspiring examples of women around the world who are building their lives beyond being a biological mother."

Ms McGrath is a life coach and the podcast is a finalist in *The Beautiful You Coaching Awards*, to be announced in Melbourne on March 11.
